

**At the conference table**, in seminar rooms or at home – Fiato's clear lines add a stylish touch. Flexible wooden section adapts ideally to the shape of your back. Integrated climate zone and recess in the hip area make for comfortable sitting – even through the longest conferences. Relaxed sitting thanks to the rocking effect in the back (also in the seat on the cantilever version). Clear, cubist lines speak a confident stylistic language that blends into contemporary architecture.

**ZÜCO FIATO**  
Clear lines make  
for clear talking.
